Premier Co-Practice Space in the CBD

Therapy with (a collective).

Updated as of
21 Mar 2024

We want to
support
therapists
supporting
everyday lives.

At *A Space Between*, we are providing more than flexible co-practice rooms, we are building a community – because private practice doesn't have to feel lonely.

Experience all the merits of private practice with the ease of our help. Accommodated with 14 thoughtfully designed rooms, affordable prices, 24/7 accessibility, safety features and monitored surveillance our space empowers a relaxing and safe practice all-day, every day.
